

IVAN MORALES MIRETE

Full-Stack Developer & Computer Science Educator

+34 635 278 970 · immirete@gmail.com · github.com/ivancatalana · Barcelona, Spain

Summary

I am a passionate and versatile Full-Stack Developer with a strong background in application development across web and mobile platforms. My expertise includes JavaScript, Java, Spring Boot, Android, and Python-based AI integrations. I enjoy designing complete solutions—from user interface to database and backend services—and have experience teaching computer science and mentoring students. I thrive on innovation and learning, continuously improving my skills and applying them in real-world educational and professional environments.

Skills

Development: JavaScript · Node.js · Angular · React · HTML5 · CSS3 · Java · Android · Spring Boot · JavaFX · Python

Databases: MongoDB · MySQL · XML · YAML · JSON · ExiST-DB

Web Services: RESTful APIs · Web Scraping · API Integration

Tools & Frameworks: GlassFish · Git · LibGDX · GPUImage · TensorFlow

Experience

Institut Puig Castellar — Computer Science Teacher (Specialty 627)

Barcelona, Spain · Oct 2023 – May 2025

- Taught subjects such as Operating Systems (M01) and Final Project (M12).
- Mentored students in project development, version control and agile methodologies.

Asociación Mundus / Mas Fonollar Youth Center — Web Development Intern

Barcelona, Spain · Dec 2022 – Apr 2023

- Developed a Machine Learning webApp using PHP, MySQL, and TensorFlow.
- Built intuitive interfaces for data training and model prediction.

Mastertrac M-Taxi — Developer & Installation Technician

Barcelona, Spain · Mar 2022 – Sep 2022

- Managed software development for taximeters and GPS location solutions.
- Installed secure communication systems across fleet vehicles.

Catalana del Taxímetre — Senior Installation Technician
Barcelona, Spain · Apr 2004 – Sep 2021

- Installed taximeters, radio transmitters, and GPS security across Catalonia.
- Provided technical support and system maintenance.

Education

Bachelor's in Computer Engineering
Universitat Oberta de Catalunya (UOC) — 2024 – Present

HND in Web Application Development
Institut Obert de Catalunya (IOC) — 2024 – 2025 · GPA: 8.89 / 10

HND in Multiplatform Application Development
Institut Puig Castellar — 2021 – 2023 · GPA: 9.12 / 10 — Graduated with Distinction

Courses & Certifications

Full-time English B2 Course — Dublin, Ireland (Feb 2024)

Cambridge PET (B1) in EOI — Feb 2019

ProgramaMe 2023 Participant — Regional Java Coding Contest

Projects & GitHub

AI-Powered Android Image Editor
Final Project integrating Pix2Pix AI models via Python server and GPUImage for Android.

GitHub Portfolio:
<https://github.com/ivancatalana> — Full projects in Java, React, Node.js, and Android.

Languages

Catalan: Native (C1)
Spanish: Native
English: Intermediate (B1-B2)

Interests & Hobbies

Coding & AI Prototyping
I enjoy building intelligent tools and experimenting with new technologies.

Teaching & Mentoring
Helping others grow through education and project-based learning.

Travel & Language Learning
Exploring new cultures and improving my fluency in English.
